

Team Scholarship Application

Name: _____ Age: _____

Address: _____

Email: _____

Phone # _____

Choose one:

- Ski
- Free Ski
- Snowboard

DEADLINE For Submissions: November 30th, 2020

Submissions must be emailed to info@skibeech.com. In the subject line please note, "Beech Mountain Academy Scholarship Application."

Beech Mountain Academy's goal is to make it possible for every interested young athlete, regardless of economic background, to take advantage of the programs offered by its competitive ski, free ski and snowboard teams.

The Board shall accept any request for scholarships, and may require evidence of actual need of an athlete in the form of financial disclosures by the parent(s) or guardian(s), as well as require the athlete to answer several questions in support of the scholarship request, stating the need for assistance as well as the athlete's commitment to snow sports and Beech Mountain Academy.

Recipients of the scholarship are expected to be fully committed to the team. They must represent Beech Mountain Academy in a positive way while at Beech Mountain Resort and while representing BMA at other mountain events. Parent(s) or guardian(s) of accepted scholarship winners will be

required to volunteer a minimum of twice throughout the season, failure to do so will make the scholarship null/void and a bill for coaching fees will be sent totally \$375.

All athletes selected for a scholarship, will be required to participate in an educational mentorship program. The total time commitment will be approximately 3-4 hours spread out through the season, and is designed to provide insight into the Ski and Snowboard industry.

If you would like to apply for a scholarship, please answer the following questions. The selection of winning applicants will be via vote at the discretion of the Board of Directors from BMSEF and its Charitable Sponsors for the upcoming season.

Answer the following questions using no fewer than 150 words for each.

- 1. What does being part of a team mean to you? And what are you most excited about joining Beech Mountain Academy?
